

## Child Safeguarding Complaints Management Policy and Procedures

### Introduction

Clyde Grammar seeks to foster a culture within the school communities, which inspires and reinforces high standards of conduct and accountability.

External stakeholders, staff, students or other members of the school communities are entitled to make a complaint, whether informally or formally, if they perceive they have:

- experienced behaviour by staff, students or other school community members; or
- encountered a school process that is unsatisfactory or not in accordance with the company and school policies, values and expectations or not in accordance with Government regulation.

It is the responsibility of the School Principals, and ultimately the Board of CSV, to ensure that proper and transparent grievance processes are established to ensure that any complaints received are managed and resolved fairly, efficiently, promptly in line with company and school values, and in accordance with relevant legislation.

This policy and its procedures must be accessible to all external stakeholders, staff, students and other members of the school communities and shall be made generally available to view on the schools' portals and websites and provided by hardcopy if requested.

The CSV Board has approved Clyde Grammar's Child Safeguarding Complaints Management Policy and Procedures, as set out in the Policy Administration section, below.

To be a child safe environment, the School must have and implement child-focused processes for managing complaints and concerns. To meet this Standard, Ministerial Order 1359 requires the CSV Board to (among other things):

- develop a complaints handling policy that meets a number of specific elements and that clearly outlines:
  - the process for making a complaint about the School or the behaviour of any person within the School
  - the roles and responsibilities of leadership, school staff and Volunteers in relation to complaints handling
  - the process for dealing with different types of complaints, breaches of relevant policies or the Child Safety Code of Conduct, and obligations to act and report
- have policies and procedures in place that address reporting of complaints and concerns to relevant authorities, whether or not the law requires reporting, and cooperating with law enforcement
- ensure record keeping, reporting, privacy and employment law obligations are met when responding to complaints and concerns
- have a clear procedure or set of procedures for responding to complaints or concerns relating to child abuse
- ensure that complaints are taken seriously and responded to promptly.

### Rationale

Clyde Grammar has a definitive ethos, which is to deliver exceptional, high quality, affordable education, embedded with Christian faith and values.

At Clyde Grammar, our passionate, dedicated staff acknowledge the importance of providing a safe stimulating environment where children are excited to come to school every day and eager to learn in a safe and nurturing environment.

Our key objective is to provide rich, engaging learning experiences in accordance with the Victorian Curriculum, that cater for the person needs and growth of each individual child.

CSV and Clyde Grammar are committed to ensuring the safety, wellbeing, and participation of all children and young people under our care.

## Purpose

Clyde Grammar has developed a suite of policies including our Complaints Management Policy that provides key elements of our approach to protecting children from abuse. It forms the foundation of the School's procedures, practices, decision-making processes and ultimately the School's culture with respect to child safety.

A child-focused complaints handling system is important for helping students and others at the School make complaints, whether about child safety or otherwise.

This Policy and its Procedures set out how the School, as a child safe organisation:

- has and implements a child-focused complaints handling system
- manages child safety-related complaints.

## Principles

Clyde Grammar is committed to ensuring the safety, wellbeing, and participation of all children and young people under our care.

The CSV Board and Clyde Grammar have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected and their voices heard, and where they are safe and feel safe.

**Ministerial Order 1359**, the School's **Statement of Commitment to Child Safety** and the School's **Child Safeguarding Standards Framework** set out the principles that guide the CSV Board and Clyde Grammar in the development and regular review of the Aboriginal and Torres Strait Islander Students Policy and Procedures (Child Safeguarding).

### Definitions

Definitions of particular terms used in this Policy and its Procedures can be found in Child Safeguarding Program Definitions and Child Safeguarding (Responding and Reporting Obligations) Policy and Procedures.

Of particular relevance to this Policy and its Procedures are the following additional key definitions:

#### Child Abuse and Other Harm

We refer to all definitions and concepts that are set out in the multiple Victorian child protection laws and that are relevant to “child abuse” and “harm” to a child or young person as “child abuse and other harm.”

### Vexatious Complaint

Inaccurate, misleading, malicious or false accusations that are not substantiated or do not constitute reasonable grounds for complaint.

### Grievance

A child safety-related complaint also includes any complaint about the School’s response to or management of a child safety incident or concern, including complaints alleging non-compliance with our **Child Safeguarding (Responding and Reporting Obligations) Policy and Procedures**.

## Policy

1. The School implements child safe complaints handling processes, as set out in **Making a child safety-Related Complaint** below, to enable:

- simple and appropriate avenues for students, Staff, Volunteers, Contractors, parents/carers and the wider community to make a complaint, including child safety-related complaints
  - confidentiality and accessibility for all members of the School community.
2. The School, and its staff members, **must** respond to child safety-related complaints as set out below in:
- **Responding to Child Safeguarding-Related Complaints – Staff Members’ Obligations**
  - **Managing Child Safeguarding-Related Complaints – the School’s Obligations**
  - **Internal Reviews of Child Safeguarding-Related Complaint Outcomes**
3. Records of complaints that contain information about child safety incidents or concerns must not be held within our general Complaints Handling record keeping system, because of the confidentiality and privacy issues that arise with respect to child safety incidents and concerns. These complaints are instead recorded as a child safety incident or concern, under our Child Safeguarding Record Keeping Policy and Procedures.
4. Analysis of child safety-related complaints and reviews of the Child Safeguarding Complaints Management Policy and Procedures inform the continuous improvement of the School’s Child Safeguarding Program and practices, as set out in **General Reviews of Child Safeguarding Complaints Management** below.

## Procedures

### 1. Making a Child Safeguarding-Related Complaint

(a) Anyone can, at any time, make a child safety-related complaint to:

- the Principal
- a Child Safeguarding Officer
- a trusted staff member
- in person, in writing or over the phone.

Non-child safety-related complaints should be made to the Complaints Officer.

(b) Parents/carers, family members and other community members who have child safety concerns about the School, its students or staff members are asked to follow the procedures set out in our Child Safeguarding (Safety and Protection) Policy and Procedures and to contact:

- the School’s Senior Child Safeguarding Officer, **the Principal at [l.evans@clydegrammar.vic.edu.au](mailto:l.evans@clydegrammar.vic.edu.au)**
- if the concern relates to the Principal, the CSV Board Chair.

(c) Students have multiple pathways to make a complaint, including child safety-related complaints, at the School. These include:

- disclosing child safety incidents or concerns, including abuse or other harm of themselves or of any other child or student aged 18 or over, to any staff member, Volunteer or Contractor. This might be done:
  - verbally
  - in writing
  - through electronic means (such as email)
  - indirectly (such as in written assignments, in artworks or in any other way)
- by contacting an external child advocacy organisation.

## 2. Responding to a Child Safeguarding-Related Complaint – Staff Members' Obligations

### (a) Support for Complainants

Whenever a complaint containing information about child safety incidents or concerns is received, the complainant must be offered support and assistance under our **Child Safeguarding (Responding and Reporting Obligations) Policy and Procedures**

Where the complaint relates to a historical sexual offence or sexual misconduct, complainants must be informed about the [National Redress Scheme](#) for people who have experienced institutional child sexual abuse.

### (b) Internal and External Reporting of Complaint Information

All staff members must follow the School's **Child Safeguarding (Responding and Reporting Obligations) Policy and Procedures** if any information contained in a complaint that is made to them raises a concern that a student may have been subject to, or may be at risk of, **abuse or other harm** at the School or a School event, or from a staff member. This includes in particular:

- **Reporting a Child Safety Incident or Concern Internally**
- **Mandatory Reporting to DFFH Child Protection**
- **Non-Mandatory Reporting to Child Protection**
- **Reporting to Police**
- **Reportable Conduct**
- **Reporting Teacher Misconduct to the Victorian Institute of Teaching**

Our internal reporting and Reportable Conduct procedures require all staff members to report any child safety-related complaint that is made to them to a Child Safeguarding Officer or the Principal.

If the child safety-related complaint is about the Principal, the complaint must be referred to the Board Chair.

### 3. Managing Child Safeguarding-Related Complaints – The School's Obligations

Child safety-related complaints are managed by the School as follows:

(a) Child safety-related complaints that involve, or raise the possibility of a risk of, child abuse or other harm to a child are managed under the Child Safeguarding Program

The following child safety-related complaints must be managed pursuant to any relevant policies and procedures in this Child Safeguarding Program:

1. complaints involving, or raising the possibility of a risk of, child abuse or other harm occurring at the School or a School event, or by a staff member
2. complaints alleging a breach of the Child Safeguarding Codes of Conduct that involve, or raise the possibility of a risk of, child abuse or other harm by a staff member.

These kinds of child safety-related complaints must be immediately referred to the Principal (or if the complaint involves the Principal, the School's Director of Safeguarding) to be managed pursuant to relevant policies and procedures in our Child Safeguarding Program.

The Principal may, where appropriate, delegate management of these kinds of child safety-related complaints to a Child Safeguarding Officer.

Relevant policies and procedures for managing these kinds of child safety-related complaints include, but are not limited to, **Reportable Conduct Policies and Procedures, Reporting Teacher Misconduct to the Victorian Institute of Teaching Policy and Procedures, Mandatory Reporting to DFFH Child Protection Policy and Procedures, Reporting to Police Policies and Procedures and Duty to Protect/Failure to Protect Policy and Procedures.**

(b) Other child safety-related complaints that are managed under the Child Safeguarding Program

The following child safety-related complaints must be managed pursuant to any relevant policies and procedures in this Child Safeguarding Program:

1. complaints about the School's investigation of and/or response to a specific incident of or concern about child abuse and other harm to a child
2. complaints that the School, when responding to a specific incident of or concern about child abuse and other harm to a child, has not correctly followed the School's own policies (for example, a complaint that we did not follow our Reporting Teacher Misconduct to the Victorian Institute of Teaching or Reportable Conduct Policy and Procedures)
3. complaints that the School has not followed specific legislative or regulatory requirements regarding child safety in relation to a specific incident of or concern about child abuse or other harm to a child (for example, a complaint that we shared information about a child safety incident or concern with an external agency when not permitted by law to do so).

These kinds of child safety-related complaints must be immediately referred to the Principal (or if the complaint involves the Principal, the School's Director of Safeguarding) to be managed pursuant to relevant policies and procedures in the Child Safeguarding Program.

The Principal may, where appropriate, delegate management of these kinds of child safety-related complaints to a Child Safeguarding Officer.

Relevant policies and procedures for managing these kinds of child safety-related complaints include, but are not limited to, **Compliance and Breach (Child Safeguarding) Policy and Procedures** and **Regular Reviews and Continuous Improvement Policy and Procedures**.

(c) Child safety-related complaints that may be managed under other School policies and procedures

The following child safety-related complaints may be managed pursuant to other relevant School policies and procedures:

1. complaints alleging a breach of the Child Safeguarding Codes of Conduct that **do not** involve, and **do not** raise the possibility of a risk of, child abuse or other harm to a child by a staff member (for example, a complaint that a staff member has expressed personal views on sexuality in the presence of students)
2. complaints alleging procedural breaches of the Child Safeguarding Program by Staff that **do not** involve, and **do not** raise the possibility of a risk of, child abuse or other harm to a child (for example, a complaint that a staff member has not renewed their WWC clearance)
3. general complaints about our Child Safeguarding policies and procedures themselves (for example, a complaint that our policies and procedures do not accurately reflect the law or that they do not take into account the needs of a particular student or community cohort).

Although these kinds of child safety-related complaints may be managed pursuant to other relevant School policies, the Complaints Officer or other person managing the complaint should – where appropriate - consult with a Child Safeguarding Officer} as part of the investigation.

With respect to 3. above, given the high risk to the School of not having a compliant Child Safeguarding Program, it is likely that the outcome of these kinds of complaints will need to be reported to the CSV Board.

Relevant policies and procedures for managing these kinds of child safety-related complaints include, but are not limited to, our **Complaints Handling Program** and/or our **Human Resources** policies and procedures.

(d) Guidance and Resources for Managing Child Safeguarding-Related Complaints

The **Complaints Handling Program** provides guidance on complaints handling principles and a step-by-step guide to managing a complaint.

The National Office for Child Safety publishes a guide for complaints that involve children and young people: [Complaint Handling Guide: Upholding the rights of children and young people](#).

Our **Reportable Conduct Policies and Procedures** and **Reporting Teacher Misconduct to the Victorian Institute of Teaching Policy and Procedures** set out procedures that the School will follow for complaints about inappropriate conduct by staff members.

4. Process where complaint concerns the Principal, another member of the ET or a Member of the CSV Board:

- Any formal complaint concerning the Principal, another member of the ET or a Board Member of CSV should be lodged, in writing, to the following address:

Private and Confidential

The Chairperson

CSV Ltd PO Box 302

Cranbourne Vic 3977

Email: [chairman@clydegrammar.vic.edu.au](mailto:chairman@clydegrammar.vic.edu.au)

- If the complaint is about the Chair it should be forwarded to the Deputy Chair at the same address and for the purposes of this Policy, if a complaint is against the Chair all further references in this Policy to the Chair shall apply instead to the Deputy Chair.
- Any such complaint will result in an investigation carried out under the direction of the Chair, or will be convened by a delegate of the Chair. Any investigation will be conducted in a fair and impartial manner.
- If a formal complaint has been lodged against a person, that person will be informed of the nature and content of the complaint and will have the right to respond. At the conclusion of any investigation, the person will have access to all unrestricted information regarding the complaint and the findings of the investigation.
- A mediation or restorative process may be instigated to assist in the resolution of a formal complaint if considered appropriate. This may be conducted by an external or internal facilitator, to be determined by the Chair in consultation with the complainant.
- During the course of any grievance process, final sanctions will not be determined until the review has been completed. However, the Chair may suspend the person concerned should the matter under review be of sufficient severity and/or involve safety concerns. Any such suspension must be referred to the CSV Board as soon as practicable for ratification or reversal.
- If a complaint is validated, appropriate action will be taken with reference to the relevant company and school policies.
- Where the grievance relates to a staff performance matter, principles of Due Process may apply.
- If the matter still remains unresolved, then the individuals concerned or the Chair may refer the matter to the relevant body, such as Anti-Discrimination Commission, Fair Work Commission or Victorian Institute of Teaching for advice, representation or conciliation.

As a general rule CSV and its Schools will not accept anonymous complaints and will do so only at the discretion of the School Principal or the Board (as the case may be) having regard to the nature and seriousness of the complaint and whether there is sufficient information for an investigation to be conducted. Possible exceptions to the general rule include matters which involve significant personal welfare issues or a serious abuse of power where the identity of the person making the claim is not always essential for the proper investigation of such a complaint. Any complaint relating to child abuse, whether anonymous or attributed, will be investigated.

For the avoidance of doubt, this Policy and process is not intended to apply in relation to any decision or policy of the CSV Board and should an external stakeholder, staff member, student or other member of the school communities wish to query or express concern about such matters they may do so, in writing, to the Board which correspondence will be considered by the Board in the proper course of its business.

## 5. Internal Reviews of Child Safeguarding-Related Complaint Outcomes

Complainants or other persons who are involved in the matter (for example, a staff member whose behaviour is the subject of the complaint, a student who is the victim of the alleged behaviour or their parent/carer) and who are not satisfied with the management of a child safety-related complaint or its outcome may request an internal review of:

- procedures undertaken
- findings made
- disciplinary actions proposed or taken
- other outcomes (including a decision not to make a finding or to take disciplinary or other action).

Requests for internal reviews should be made to the Principal

Internal reviews are undertaken by the Principal

## 6. General Reviews of Child Safeguarding Complaints Management

The School regularly reviews child safety-related complaints to ensure that any child safety-related feedback, comments or complaints from the School community members and relevant stakeholders are captured, analysed and acted on where appropriate.

In particular, child safety-related complaints are regularly analysed to identify causes and systemic failures to inform continuous improvement.

Our Child Safeguarding Complaints Management Policy and Procedures is also itself regularly reviewed as part of our reviews of the Child Safeguarding Program.

For more information, refer to Regular Reviews and Continuous Improvement Policy and Procedures.

A child-friendly version of this Policy and its Procedures is also provided to students through their diaries age appropriate child safety information.

### **Breach of Child Safeguarding Complaints Management Policies and Procedures**

Clyde Grammar enforces this Policy and its Procedures. In the event of any non-compliance, we will instigate a review that may result in a range of measures including (depending on the severity of the breach):

- remedial education

- increased supervision
- the restriction of duties
- suspension
- in the case of serious breaches, termination of employment, contract or engagement.
